

**U.S. 63 & H Interchange
Boone County, Mo.
Public Meeting
March 22, 2011**

Welcome!

The purpose of today's meeting is to help you learn more about the proposed project to construct a new interchange on U.S. 63 at Route H in Boone County.

The project also includes constructing new southbound lanes from just north of Route 163 to Route H in Columbia. An outer roadway would be created using the current southbound lanes. This would allow for the removal of several crossovers to improve safety.

This is an open-house public meeting. MoDOT employees are here to assist you and explain various aspects of the proposed project.

As you move through the displays, please share your questions and comments with us. Your input is very important.

For more information, contact us toll free at 1-888-ASK-MoDOT (275-6636) or visit us on the Web at www.modot.org/central.

Thank you for your participation.
