Dear «DEAR»:

You are cordially invited to attend a meeting of area stakeholders on Wednesday, June 8, from 12:30 p.m. – 3:30 p.m. regarding the Route 50, Rex Whitton Expressway in Jefferson City. The meeting will be held in Kertz Hall at Immaculate Conception School located at 1206 E. McCarty in Jefferson City. This is an open-house meeting with a formal presentation at 1:00 p.m.

MoDOT, the City of Jefferson and Cole County are working together to study the expressway from east of the Route 179 interchange to west of Eastland Drive in Jefferson City to determine current needs and how future development might impact safety and traffic flow through the area.

This study of the Whitton Expressway will continue through fall 2005. This is a preliminary step in a multi-tiered process to look at long-term alternatives to address traffic flow along this highway.

If you are unable to attend this stakeholder meeting, we encourage you to attend the open-house public meeting on June 8<sup>th</sup> from 4-7 p.m. The public meeting will also be held in Kertz Hall. A brief presentation will be made at 5:30 p.m.

Please RSVP at 1-888-ASK-MoDOT (275-6636) if you plan to attend the stakeholder meeting. If you have additional questions, please feel free to contact me at the toll-free number listed or at (573)526-6997.

Sincerely,

Michael Dusenberg, P.E.  
Project Manager
